

ELITE DANCE ACADEMY TUITION POLICIES

REGISTRATION, ENROLLMENT AND MONTHLY TUITION:

- There is a registration fee of \$20 per family due upon initial registration.
- There is an annual enrollment fee of \$10 per student due each September following evaluations and upon fall enrollment.
- Tuition may be paid with our discounted family rate or by class - you must choose a preferred payment method and may not change back and forth.
- Tuition is due by the 1st class day of each month, regardless of attendance.
- Tuition is based on a four week month. There is no additional charge when there is an occasional 5th class as this is considered a make up class when the studio is closed for holidays. There is no tuition reduction due to holiday closures.
- Tuition will not be adjusted due to absences. Students may make up missed classes when similar classes are available - see studio policies for class make up policy. Tuition will secure your child's place in class.
- We accept cash, check or credit card as payment options. No recurring credit card payment option is available at this time, however you may choose to set up a payment account through your bank's bill pay option.
- Call the studio or come in for Tuition rates.
- Private lessons are available for an additional fee and may not be used as make-up lessons.
- All tuition must be current in order for students to participate in any performance or competition activity.

TRIAL CLASSES:

- Students may take a trial class to try a class or for placement before registering. Students under 18 will need to submit a signed parental consent waiver before taking a trial class.
- Trial classes are \$17.00 per class. Any paid trial classes will be prorated into the monthly tuition after the student has registered depending on date of registration.
